

GLOBAL WELLNESS SUMMIT

Dear Esteemed Colleague,

It is our great pleasure to invite you to the 2017 Global Wellness Summit (GWS) at The Breakers, Palm Beach, Florida on October 9-11, 2017. Our theme this year is **“Living a Well Life,”** and if any property embodies the spirit of this theme, it’s The Breakers.

This is a historic year, as it marks the first time a privately owned destination is the host sponsor of our Summit, and we could not be more thrilled. The Breakers boasts a breathtaking oceanfront setting, miles of palm trees, magnificent pools and cabanas, two golf courses, exquisite dining and a newly renovated indoor/outdoor spa. While these 5-star amenities are enough of a backdrop for our Summit, it is the attributes that are invisible to the eye, but felt in the soul that will make our 2017 Summit a truly extraordinary experience.

It begins with the Flagler family, who have been the owners of The Breakers for over 120 years. Their commitment not only to the wellbeing of their guests and employees, but also to the community in which they operate, is a model for global hospitality. You will have the unique opportunity to understand their “secret sauce” as you hear from one of the owners as well as the CEO.

In fact, you might say The Breakers has “good genes.”

And genetics is one of the lenses through which we will experience and explore what **“Living a Well Life”** means now and in the future. As a delegate to our invitation-only conference, you will experience the highest-profile lineup of keynote speakers in our history, be immersed in stimulating discussions, engage in powerful networking, and dance the night away at our Gala Event. All of which will help build your business.

Please join us on a future-focused exploration of **“Living a Well Life.”**

With warmest regards,
The Global Wellness Summit Board of Advisors

Jean-Claude Baumgarten, France; Anna Bjurstam, Sweden; Dr. Marc Cohen, Australia; Gina Diez Barroso de Franklin, Mexico; Susie & Pete Ellis, U.S.; Andrew Gibson, UAE; Susan Harmsworth, UK; Mia Kyricos, U.S.; Dr. Franz Linser, Austria; Mary Tabacchi, PhD, U.S.

“LIVING A WELL LIFE”

THE BREAKERS PALM BEACH, FLORIDA, USA | OCTOBER 9-11, 2017

SUMMIT: AT A GLANCE

OVERVIEW

The Global Wellness Summit (GWS) is an invitation-only international gathering that brings together leaders and visionaries to positively impact and shape the future of the \$3.7 trillion global wellness economy. The 2017 Summit will take place October 9-11 in Palm Beach, Florida at The Breakers, under the theme, “Living A Well Life.”

DELEGATES

Every effort is made to ensure that those attending the annual GWS are leaders and decision-makers, representing a variety of industries. Delegates must have senior executive titles such as CEO, president, chairman, divisional SVP or owner. Company size, yearly sales, number of employees and length of time in business are also taken into consideration when reviewing applicants. Special room is allotted for educators, media and those from the non-profit sector.

FORMAT AND AGENDA

The Summit’s carefully developed agenda features high-profile speakers, presenters and panelists, who address the timeliest issues and guarantee the GWS delivers with its trademark vibrancy and relevancy. As invitees register, their expertise, interests and areas of concern are noted. This information is taken into consideration, along with global events and industry trends, to create the final Summit agenda and roster of presenters.

SPIRIT OF THE SUMMIT

The spirit of the Global Wellness Summit is one of shared purpose rather than individual gain — with a willingness to put aside competitive egos and personal business goals. Participants engage in collaborative discussions and activities with the goal of furthering the wellness industries. Everyone contributes time, expertise and resources to ensure the Summit’s success.
