

GLOBAL WELLNESS SUMMIT

REQUEST FOR BID TO HOST THE GLOBAL WELLNESS SUMMIT

The Global Wellness Summit (GWS) is an invitation-only international event that brings together leaders and visionaries to positively impact and shape the future of the global wellness industries. It is critical to the success of the Summit that the host location exemplifies the “DNA” of the organization and embraces wellness in a substantive and impactful way. This may include a commitment to sustainability, a concerted effort to promote health and prevention, an abundance of natural resources that are used to encourage a link between people and their surroundings, and more.

1. **ELIGIBILITY.** Countries, cities or companies that are seeking to position themselves as a leader in wellness are welcome to submit a proposal for hosting a Summit.
2. **ATTRIBUTES.** Please explain why you would be an appropriate host sponsor for this global wellness event. Be specific. If you are applying as a **destination**, cite your indigenous wellness practices; aspects of the natural environment that are unique to your location; well-known practitioners in the wellness space who live and work in your communities; press and publicity you have received for your wellness attributes; and any governmental or private sector initiatives in this arena. If you are a **company**, cite your unique wellness initiatives, examples of your work in the wellness industry, press and publicity you have received for your wellness products, services or philanthropic activities.
3. **FINANCES.** In order to be the Host Sponsor of a GWS, the interested party may be either government or private sector. Depending on a variety of circumstances, the bid to host a Summit is between \$350,000 and \$500,000 USD. Factors such as anticipated attendance, hotel room rates, inclusion of the Gala evening all contribute to the decision on fee for host sponsorship. Payments need to be made in one of two ways: 1) one payment in full at the time of signing, for which there is a 5 percent savings; 2) payments due in three installments of 40 percent at the time of signing, 30 percent due 90 days later and 30 percent due 90 days following. Full payment must be received within six months of contract execution. This is a critical piece of the financial plan and is non-negotiable.

4. **LOGISTICS.** Please provide at least three 5-star hotel options capable of accommodating the Summit. Other items to note include sleeping rooms for 400 - 500 delegates, ample meeting/ballroom space, cultural venues with space and availability, ground transportation options complete with statistics on geographical proximity to hotels and proposed venues, a list of high-end restaurants capable of hosting at least 150 delegates and within 15 minutes of the hotel options, and any other primary logistical attributes that make your location attractive—a light rail system, for example. Additionally, the company or country must cover the on-site travel expenses for no more than three people on two separate site visits, in business class on flights. As the host sponsor, you will also host the welcome reception, covering all associated costs for food, beverage and décor.

5. **TIMING.** Select preferred year to host – 2023, 2024 or 2025 - and why.

As the **Host Sponsor**, you will receive the following benefits:
