

A TASTE OF KAMALAYA

Pre-Summit Dates: 5 - 9 November 2026

Post-Summit Dates: 13 - 17 November 2026

We invite you to join us at Kamalaya, a multi-award-winning Wellness Sanctuary set in an idyllic location on the tropical island of Koh Samui, Thailand.

Kamalaya offers a unique holistic wellness experience that integrates healing therapies from East and West, a breathtaking natural environment, inspired healthy cuisine, holistic fitness practices, and a wide range of results-driven wellness programs and small group retreats.

Each GWS delegate will experience the 'Taste of Kamalaya' program, created exclusively for this year's summit. Reflecting Kamalaya's personalised approach to wellbeing, the journey begins with a personal consultation with a dedicated Wellness Consultant, who thoughtfully curates the experience around each guest's individual health goals and aspirations. Bringing together a carefully selected synergy of treatments, therapies and healing modalities, the program offers a meaningful introduction to the sanctuary's integrative approach to wellbeing while supporting each guest's unique path towards greater balance, vitality and resilience.

Following the program, delegates will experience a greater sense of physical wellbeing, a deeper connection between mind and body, and the restorative benefits of reconnecting with themselves and the healing power of nature.
