HEALING ARCHITECTURE

Noise level in an ICU

Disturbed melatonin secretion of ICU patients

Summary of relevant parameters for the design process

Is there scientific proof for healing environments?
Design parameters (sound, light) scientifically tested

Axonometry of the single bed set

**Adaptable scenography linked to vital body condition (blood pressure etc)

Wellness also means wellness within construction

SACRED GEOMETRY IN DESIGN

- **Premise is that geometry, harmonics, proportion and mathematical ratios are also found in music, light and cosmology**
- **Humans resonate at both cellular + conscious levels with our environment**
- **Creating an environment utilizing principles of sacred geometry has the ability to enhance our connection with nature and sustain (rather than drain)**

BIOPHILIC DESIGN

- **Visual connection with nature**
- **Presence of water**
- **Natural materials, colors and patterns**
- **User “experience” in mind**

SIX SENSES QING CHENG MOUNTAIN, CHINA

ORGANIC GARDENS

- **To be effective + productive space must be programed in the initial design**
- **Beyond beautiful, living wellness**
- **Zero chemicals, pesticides or synthetic fertilizers**
- **Supportive of nourishing + nurturing the body from the inside out**
- **Eat with Six Senses**

BIOLOGICAL LIGHTING

- **Circadian supportive lighting**
- **Enhanced controls**
- **LSG HealthE Lighting Series**
 - **GoodDay Lamps**
 - **GoodNight Lamps**
 - **Genesis**

LIGHTING SCIENCE

SLEEP SUPPORT THROUGH DESIGN

- **Biological lighting**
- **Lighting + thermal controls**
- **Blackout shades**
- **High quality lighting**
